

Eligibility for a Niche License

From the *Rules and Regulations*:

2.0. The Columbarium is intended for the interment of the cremated remains of present or former registered members of the Parish of the churches of Saint Paul the Apostle in Seneca and Saint Francis of Assisi in Walhalla and the Parish of Saint Andrew in Clemson, their immediate family members and current or prior Clergy of those churches. Included in this accessibility are spouses, siblings, parents, and the natural, adopted, step or foster children of eligible members.

* Note that the family member(s) need not be Parish members or Catholic.

Eligibility for a Memorial Plaque License

From the *Rules and Regulations*:

2.2 Eligibility for Memorial Plaques is broader than Niches. Any relative, however distant, of a present or former registered parishioner may be remembered. The Pastor and Columbarium Advisory Board may deny any License application that is found not in compliance with the goals of the Columbarium and Parish. See "Supplemental Eligibility Guidelines 2.2" for additional details.

* Note that the Parish office will retain a record of the relationship of those named on the Memorial Plaque to the Parish members. And of course, in addition to relatives, any parishioner or former parishioner can be remembered.
